**A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick.**

It's high time for Stella Lane to settle down and find a husband - or so her mother tells her. This is no easy task for a wealthy, successful woman like Stella, who also happens to have Asperger's. Analyzing data is easy; handling the awkwardness of one-on-one dates is hard. To overcome her lack of dating experience, Stella decides to hire a male escort to teach her how to be a good.....
